An ancient technique using a deck of cards.

These symbols are thousands of years old and tell us of our soul’s journey in this lifetime, with tools to navigate past karma. These 52 cards plus the jokers were created as a calendar and lifetime guide reflecting the weeks of the year. The 13 cards in each suit represent the 13 annual cycles of the moon, and the 12 face cards represent the 12 signs of the zodiac. All the numbers on the cards from each suit equal 364 and the joker represents the 365th day of the year.

The four suits represent the four seasons of the year and of our lives – ***Hearts – spring time and youth; Clubs – Summer and teens; Diamonds – Autumn and adults; Spades – winter and elders.***
